The last instruction Jesus gives to His disciples in the Gospel of Matthew was to go and “make disciples of all nations” (Matt 28:19). Our identity is more than just being a fan of Jesus, but one of a believer and follower called a “disciple”. But what does being a “disciple” mean?

1. If you were to summarize to someone what it means to be a disciple of Jesus, what would you say?

2. As you read through the lists (Definitions, Focus, Attitudes, Beliefs, Lifestyle, Habits), which are the most precious to you or have been personally satisfying to your soul and why?

3. From the lists, which ones do you sense the Holy Spirit convicting you to devote more attention to than you have been giving?
